Patient Consent

I am voluntarily seeking laboratory service and hereby consent to provide a sample as requested. I have the right to refuse testing, but I understand this may impact my treatment. This agreement can be revoked by me at any time with written notification and is valid until revoked. I hereby assign to the laboratory my right to insurance benefits that may be payable to me for services provided arising from any insurance policy, self-insured health plan, Medicare or Medicaid in my name or on my behalf. I further authorize payment of benefits directly to the laboratory. I understand acceptance of insurance does not relieve me from any responsibility concerning payment for laboratory services and that I am financially responsible for all charges whether or not they are covered by my insurance. I understand that any payment I receive for services rendered by the laboratory from my insurance provider should be forwarded to the laboratory immediately.

Medical Provider Consent

This test is medically necessary for the risk assessment, diagnosis or detection of a disease, illness, impairment, symptom, syndrome or disorder. The results will determine my patient's medical management and treatment decisions. By my signature below, I indicate that I am the referring physician or authorized health care provider. I have explained the purpose of the test. The patient has been given the opportunity to ask questions and/or seek further counsel. The patient has mindfully decided to have the test performed by Vero Diagnostic Lab. As the medical provider, I am responsible for documenting applicable ICD-10 diagnosis codes.
